Furthermore you assign to us all statutory royalty claims under relevant law insofar we mandate a reproduction rights organization to administer such rights for publishers and authors: we accept the assignments.

Author's Declaration

I have taken note of the information on the duties of care under product liability law; I agree to the assignments of rights in accordance with the foregoing sections "Assignment of Rights" also on behalf of the other authors (if several authors have contributed to the article). I declare that no third party rights will be infringed through the publication. Any material contained in the manuscript (including illustrations, tables, or other material) from third-party sources will be identified as such through citation, indicating the source. If required, I have obtained the copyright permission from the publishers concerned. The above-mentioned assignments of rights also relate to the illustrations in your manuscript. We do not accept any illustrations for which it has not been granted all rights of use in accordance with this contract. Should one of the foregoing regulations be or become invalid in whole or in part this shall not affect the validity of the other provisions. Any invalid provision shall be replaced by a regulation that comes as close as possible to the purpose of the invalid provision in economic terms, insofar as legally permissible. This article is ready to print after the execution of the corrections indicated by me.
